STEP 2: CONNECTING THE ROPE LIGHT TO THE BASE

1. Insert the two sharp pins into the end of the rope light.
2. Ensure the sharpened ends of the pins pierce the wires inside the rope light, establishing a secure connection. Refer to Figure 2 for visual guidance

STEP 3: CONNECTING TO THE AC TO DC CONVERTER

1. Attach the opposite end of the pins (with the rounded points) to the AC to DC converter.
2. Make sure the pins align properly with the terminals inside the converter for a secure fit. (See Figure 3 for alignment instructions.)
